

# Atlantic Orchard (conversion)

Ship type	Tanker
Shipowner	Wisby Tankers AB
Shipyard	Chengxi Shipyard Co. Ltd

## Main Dimensions

Dwt	35,436 t
GT	28,243
Capacity	35000 dwt
LOA	179.99 m
Beam	30 m
Draught	9.5 m

Copyright: Wisby Tankers

Project type	Ship status	Design scope	Delivery year
Conversion	Delivered	Concept, Basic	2019

## Scope of Work for the Shipowner

- Concept development
- Approval design package including all disciplines for the owner
- Technical support for owner procurement

## Project Features

- Transforming two B.Delta37 bulk carriers, acquired by Wisby Tankers from d'Amico, into innovative general cargo / juice carriers
- B.Delta37 hull form designed for optimal fuel efficiency, ensuring the lowest fuel oil consumption
- 15 independent juice tanks loaded on a single vessel, enhancing operational flexibility
- Extended cargo hold opening for convenient loading of juice tanks
- New high-capacity generator compliant with Tier III standards, supplying power for cargo operations and cooling
- The work was completed in 2019

## Additional Information

IMO number	9638159 (2)
Special features	Conversion of a bulk carrier to a juice carrier
