

# Aura 3

Ship type	Open deck carrier
Shipowner	Meriaura Group
Shipyard	Jiangsu Zhenjiang Shipyard (Group) Co. Ltd.

## Main Dimensions

Dwt	6,800 t
Capacity	6,800 DWT
LOA	120.00 m

Copyright: Deltamarin

Project type	Ship status	Design scope	Delivery year
Newbuild	On order	Concept, Basic	2028

## Scope of Work for the Shipowner

- Concept development and design optimization supporting operational and performance requirements

## Scope of Work for the Shipyard

- Complete engineering package for approval design

## Project Features

- 6,800 DWT open deck carrier designed to accommodate heavy project and special cargo
- Designed for short sea shipping, supporting flexible operations across regional and coastal routes
- 1A ice class and DP2 notation, enabling reliable year-round operations in demanding conditions
- Large open deck area supporting versatile cargo configurations and efficient Ro-Ro operations
- High operational flexibility, providing access to challenging locations with shallow drafts, limited infrastructure, or restricted space

## Additional Information

IMO number	1122334
Ice class	1A
Technologies	Battery, DP2

Special features	Optimized open deck design for heavy project and special cargo, tailored for demanding Ro-Ro operations in short sea shipping
