

Blue Star Ithaki

Ship type	RoPax ferry
Shipowner	Srintzis Lines
Shipyard	Daewoo Heavy Industries Ltd.

Copyright: Shippax

Main Dimensions

Dwt	1,410 t
GT	10,193
Capacity	1313 pax / 225 cars
LOA	123.8 m
Beam	18.9 m
Draught	4.9 m

Project type	Ship status	Design scope	Delivery year
Newbuild	Delivered	Concept, Basic	2000

Scope of Work for the Shipowner

- Outline and contract design, covering main dimensions, capacities, speed and power, general arrangement, machinery arrangement, specifications, weight, midship section, hull form, stability, electrical balance, tonnage, cost estimations, master plan and building sequence, artistic renderings, and special studies
- Basic design package, including general arrangement, model test coordination, lightweight calculations and budgets, hull and structural classification documentation, partial outfitting design, ship service systems, machinery arrangement, machinery system diagrams, and partial electrical and automation systems

Project Features

- Prototype high-speed handy-size ferry
- Low resistance and high propulsion efficiency for a vessel with a high Froude number
- Handy-size day ferry design featuring efficient cargo areas and a large passenger capacity
- Efficient hull form and propulsion system to meet high-speed requirements

Additional Information

IMO number	9203916
