Scope of Work for the Shipowner

- Complete conversion design
- Extensive site assistance at the yard
- Procurement of major and minor items

Project Features

- Deltamarin successfully completed a comprehensive conversion project for the ro-pax ferry Langkapuri Star Aquarius, which included full conversion design, extensive on-site support at the yard and procurement of major and minor items
- The project featured a short delivery time, with design work conducted in parallel with production to ensure efficiency and timely completion
- The work was completed in 1992
