Project type	Ship status	Design scope	Delivery year
Conversion	Delivered	Concept, Basic, Detail	1994

Scope of Work for the Shipowner

- Complete conversion project design
- Special studies
- Supervision of special items

Scope of Work for the Shipyard

- Complete basic design and approval of class and flag state
- HVAC coordination plans
- Site supervision

Project Features

- Deltamarin successfully executed a comprehensive conversion project for the cruise vessel Leeward, encompassing the complete project design, special studies, and oversight of specific items for the owner
- Deltamarin managed the full basic design, obtained class and flag state approvals, coordinated HVAC plans, and provided site supervision at the yard
- The pre-contract project design materials facilitated competitive yard proposals, resulting in an efficient and cost-controlled conversion

Additional Information

IMO number	7827213
Ice class	1A
Special features	Conversion of 'Sally Albatross' into 'Leeward'
