Project type	Ship status	Design scope	Delivery year
Newbuild	Delivered	Detail	2014

## Scope of Work for the Shipyard

- Machinery detail design for the main engine room, connecting tank areas, and engine casings
- 3D design created using AVEVA MARINE Outfitting software

## Project Features

- The first LNG-powered offshore patrol vessel to enter service in Finland
- Dual-fuel engines capable of burning both diesel fuel and LNG (liquefied natural gas)
- Equipped for rescue operations, firefighting, emergency towing, and demanding environmental duties
- The first Finnish patrol vessel fitted with a forward helipad featuring folding "wings"

## Additional Information

IMO number	9650377
Ice class	1A
Technologies	LNG
Special features	Offshore patrol vessel
