Commission for the Ship Owner

- ▶ Project management assistance: procurement handling (III-IV), scheduling and follow-up (III-X)
- ▶ Site assistance: production supervision (III-X), supervisor responsible for pressure tests and introduction (III-IV)

Commission for the Shipyard

- ▶ Turnkey delivery of Turun Prosessiasennus Oy including four ro-ro decks with service spaces. The largest single turnkey delivery in these ships. Deltamarin delivered design, coordination and management to the above areas. Two vessels simultaneously under construction at the yard with only 7 weeks difference (III-IV)
- ▶ Detail design: Cargo areas: HVAC, piping, outfitting and electric

Project Features

- ▶ The Superfast IV is the second ship of the second pair (the former pair being Superfast I and Superfast II) built for Superfast Ferries at Kvaerner Masa-Yards for its Adriatic Sea services from Patras to Ancona.
